Dear Mr Malekmohammadi,

On behalf of the Chamber of Commerce and its members, I would like to send you my warmest Thank You for the participation of Iralux in the recent seminar.

The echo from the participating companies was overwhelmingly positive, all the efforts done regarding this event worked well. Many, hopefully, fruitful connections and contacts have been made. The attendance at the seminar could not have been better and I appreciate all your contribution.

It has been a pleasure meeting you and we are looking forward to our future collaboration.

We can only call the seminar a great success. Many thanks again for your support.

Sincerely Yours,

Carlo Thelen  
Director General
